

Kids in the Kitchen

with Mom or Dad

The best recipes often start with a "can I help?"

Calotta.

BOOK YOUR PLACE

Flour on hands.
Aprons too big.
Tomato on the nose.

And that simple happiness that happens when adults and
children truly do something together.

This course is designed as a moment to share, without rushing, in the true Carlotta spirit: convivial, authentic, and playful.

It is a hands-on experience where grown-ups and little ones cook side-by-side, preparing simple, colorful, and fun Italian recipes together.

Each adult + child pair will have their own station and will prepare the recipes of the day together, guided step-by-step in a relaxed and welcoming atmosphere.

WHAT WE WILL PREPARE TOGETHER

FRESH HANDMADE PASTA

We will knead flour and eggs together to create a simple fresh pasta, learning how to roll out the dough and create fun shapes.

PERSONALIZED MINI PIZZAS

Every child will be able to roll out their own pizza and decorate it freely with colorful, seasonal ingredients.

COOKIES AND SWEET TREATS

Depending on the day:

- Cookies
- Mini tarts
- Simple shortcrust pastries
- Express tiramisu for kids

SMALL CREATIVE FOOD WORKSHOPS

During the course, we also include more playful moments, such as the:

GAME "THE CRAZY MARKET"

Where every spot changes at the very last moment.

At the end of the course, we will all sit down together to eat what we have prepared, in an atmosphere reminiscent of big family lunches.
